Macbeth (MAXNotes Literature Guides)

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare's Macbeth, known as an "actor's play" for its condensed script and the interpretive freedom it gives actors on stage. As a tragedy of the early seventeenth-century, Macbeth follows a man living in a constructed universe in which he cannot toy with evil without facing consequences. Moreover, readers witness the primary theme

that destruction comes to characters who do not fear the outcomes of their actions. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Macbeth Study Guide CD

The chapters in this volume are testament to the many ways in which Robert Bjork's ideas have shaped the course of research on human memory over four decades. It showcases the theoretical advances and recent findings by researchers whose work and careers have been influenced by Bjork. The first group of chapters explore the idea that forgetting is an adaptive response to the demands of a retrieval system fraught with competition - an idea that has helped recalibrate conceptualizations of memory away from one in which the computer is the dominant metaphor. Several chapters then review the application of research on learning and memory to enhancing human performance, reflecting Bjork's staunch commitment to translating his findings and theories to real-world settings. Later chapters address topics that are relevant to the translation of cognitive psychology to human performance, and in particular recognize the critical role of metacognition in such problems. The final chapters cover a variety of issues related to how remembering can be enhanced, and how research on remembering can be profitably guided by the use of mathematical modeling. This volume will appeal to researchers and graduate students of human learning, memory, and forgetting, and will also benefit an audience working in applied domains, such as training and education.

Macbeth

A day of storm and battle is coming to a close, and Duncan, king of Scotland awaits news of the conflict. A bloody man appears and tells him that against all odds, the rebel Macdonwald, the traitor Thane of Cawdor, and the king of Norway have been defeated by Duncan's captains, Macbeth and Banquo. Duncan orders the Thane of Cawdor executed and tells his men to go bestow the title on Macbeth. Macbeth and Banquo, returning from the battle, come upon three witches who greet Macbeth as thane of Glamis, thane of Cawdor, and king to be. Banquo asks whether they have such complimentary greetings for him. They call him \"Lesser than Macbeth and greater,\" and tell him that he will father kings. Then the witches vanish. Not certain what to make of this, Macbeth and Banquo are soon joined by Ross, who greets them in the king's name and names Macbeth Thane of Cawdor. This news, in fulfillment of the witches' statement seems to awaken within Macbeth a long-dead desire for the throne. Hardly daring to admit his own thoughts to himself, he writes to tell his wife of these events. Lady Macbeth has fewer qualms than her husband and goes into near-ecstasy at the thought of taking the throne. When she learns the king is coming to their castle for a night, she and Macbeth plot Duncan's death. In the dead of night Macbeth and his wife stab the king and leave the bloody daggers with his attendants. When the king is discovered the next morning, Macbeth kills

the attendants in a "fit of rage." Realizing that they no longer know who to trust, and that whoever killed their father may well be after them next, Duncan's sons Malcolm and Donalbain flee to England and Ireland. Immediately, the lords assume they were behind the king's death and name Macbeth king. Not all are convinced of the wisdom of this, however. Banquo is keenly aware that the king has died in Macbeth's home shortly after Macbeth heard a prediction that he will be king. Macduff also doubts the innocence of Macbeth and, though he does not voice his thoughts, he refuses to attend Macbeth's coronation. Now that Macbeth is king, however, he remembers the prediction of the witches: Banquo's son will reign, not his. He hires men to kill Banquo and his son Fleance, but they achieve only partial success - Fleance escapes. At the banquet held in his honor that evening, Macbeth sees the ghost of Banquo, and in shouting at it perhaps reveals more than he intends to the gathered lords. He also begins to fear Macduff and determines to visit the witches again. The witches call forth three apparitions, who tell Macbeth that he must beware Macduff, that "no one of woman born" can harm him, and he will never be defeated until Birnam Wood comes to Dunsinane. Heartened by these predictions, Macbeth demands to know whether Banquo's descendants will, indeed, rule after him. The witches show him a seemingly endless line of kings descending from Banquo. Angry, Macbeth decides to remove his last available irritant by killing Macduff. As he departs, however, he is told Macduff has fled to Malcolm in England. Now enraged, Macbeth vows from this point forward to immediately follow his first impulses, and he vents his fury by slaughtering everyone he can find in Macduff's castle - Macduff's wife, children, and servants. In England, Macduff has found Malcolm, but Malcolm is distrustful of him. As they form a tentative alliance, word arrives of the slaughter of Macduff's family. Macduff vows vengeance on Macbeth. Heartened by reports of rebellion against Macbeth and the offer of support and troops from England, Malcolm and Macduff make plans to return to Scotland and reclaim the throne. Things have not been going well for Macbeth and Lady Macbeth. The rebellions are taking their toll, and Lady Macbeth is restless in her mind. Her gentlewoman and a doctor observe her sleepwalking, speaking of the murders and clearly disturbed. Macbeth appears manic, thrown this way and that by his whims, alternating between supreme self-confidence in the predictions of the witches and fury that things are not as he wishes them. The death of Lady Macbeth seems to affect him little beyond a morose discussion about the meaning of life. Things really begin to fall apart as Malcolm's troops advance to Dunsinane and are joined by the lords of Scotland. When the troops pause at Birnam Wood, Malcolm orders his men to cut down and carry branches of the wood to confuse reports of their numbers. As this movement of the Wood pours toward Dunsinane, Macbeth realizes that the predictions he relied on have become a two-edged sword. Maddened by the desertion of his subjects and faced with an apparent trap, he clings to, almost revels in, the prediction that no one born of woman can harm him. But in the end, even this fails Macbeth.

Macbeth

One night on the heath, the brave and respected general Macbeth encounters three witches who foretell that he will become king of Scotland. At first sceptical, he's urged on by the ruthless, single-minded ambitions of Lady Macbeth, who suffers none of her husband's doubt. But seeing the prophecy through to the bloody end leads them both spiralling into paranoia, tyranny, madness, and murder. This shocking tragedy - a violent caution to those seeking power for its own sake - is, to this day, one of Shakespeare's most popular and influential masterpieces.

Shakespeare's Macbeth

"Macbeth" is one of Shakespeare's greatest and darkest plays. With this new guide, you will have an even greater understanding of the play. Included in this guide: a biography of author William Shakespeare, a look at the play's context, its literary elements, detailed scene summaries, character analysis, and much more. This is the definitive guide to "Macbeth," concise, easy to understand, and guaranteed to add to your enjoyment of this classic play.

Macbeth Thrift Study Edition

This book is aimed at 'A' Level and GCSE students of English Literature who are studying Shakespeare's Macbeth. The focus is on what examiners are looking for and here you will find each act and scene covered in detail.

Macbeth

Unlock the more straightforward side of King Lear with this concise and insightful summary and analysis! This engaging summary presents an analysis of King Lear by William Shakespeare, a tragic tale about the consequences of betrayal and ambition. The titular character, King Lear, makes the mistake of dividing his entire kingdom between his scheming elder daughters, Goneril and Regan, who are actively plotting against him, while disinheriting his loyal youngest daughter, Cordelia. Stripped of power and rapidly descending into madness, Lear is left to wander the barren heath with only his Fool for company, while the country he once ruled tears itself apart in a bloody civil war. King Lear is generally recognised as Shakespeare's most nihilistic work, but has also been hailed as his greatest tragedy, and has been performed consistently since it was first written in the early 17th century. Find out everything you need to know about King Lear in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com?
