

INDIA WINS FREEDOM THE COMPLETE VERSION ABUL KALAM AZAD

India Wins Freedom

One of the makers of modern India tells the story of the partition of India as never before, with intimate knowledge and feeling. India Wins Freedom has at last won its own freedom. The full text of this autobiographical narrative was confined, under seal, in the National Library, Calcutta, and in the National Archives, New Delhi, for thirty years. What we now have is the complete text, released in September 1988, by a court directive. Not only have all the words and phrases of the original been reproduced, the original tone and temper have been fully restored. The text now reveals that the controversy that has simmered for so long about the hitherto unpublished pages, was fully justified.

ABUL KALAM AZAD

Maulana Abul Kalam Azad was a scholar, intellectual, and nationalist who fought against British imperialists by drawing inspiration from the Koran. Twenty years before the freedom movement took hold in India, the man whom Mohammad Ali Jinnah dismissed as the 'Showboy of Indian National Congress' was already involved in the struggle for independence. This book examines the life of Azad, his solutions to the crisis of Muslims of India, and his role in the independence struggle as a leader of the Indian National Congress.

the large imaginative canvasses of the great economists. Butler-Bowdon's choices are broad, interdisciplinary and compellingly idiosyncratic. His chapters are not simply straight summaries of the chosen works, but thoughtful reflections on why we should care about this or that book and what its relevance is for us today. Butler-Bowdon's renderings are done so well that one might never bother going back to the original! Islamic Seal on India's Independence

The issues concerning the Partition of India in 1947 have long been debated both by Indian and Pakistani

historians, but now a leader directly responsible for the Defence and Foreign Affairs of India has come forward with a historical appraisal that helps both countries come to a better understanding of the contentions between them. Jaswant Singh has not written a hagiography of Jinnah, but focused on him as a key figure in the final deliberations preceding Independence.

Maulana Azad, Islam and the Indian National Movement

Abul Kalam Azad (1888-1958)--President of the Indian National Congress from 1939 to 1946, outspoken opponent of Jinnah and Partition, symbol of the Muslim will to coexist in a secular India, and scholar and intellectual--was one of modern India's most important leaders. This first substantial biography of Azad in English charts his many contributions to the intellectual, political, and religious heritage of modern India, revealing important continuities in his life and thought.

The Educational Ideas of Maulana Abul Kalam Azad

This volume consists primarily of articles originally published in the nationalist newspaper *Karmayogin* between June 1909 and February 1910. It also includes speeches delivered by Sri Aurobindo in 1909. The aim of the newspaper was to encourage a spirit of nationalism, to help India recover her true heritage and remould it for her future. Its view was that the freedom and greatness of India were essential to fulfilling her destiny, to lead the spiritual evolution of humanity.

Reviews of the first edition: "A riveting book on this terrible story."—*Economist* "Unsparing. . . . Provocative and painful."—*Times* (London) "Many histories of Partition focus solely on the elite policy makers. Yasmin Khan's empathetic account gives a great insight into the hopes, dreams, and fears of the millions affected by it."—Owen Bennett Jones, *BBC*

Life and Works of Maulana Abul Kalam Azad

Maulana Abul Kalam Azad (1888-1958), has largely remained less explored as a political leader in the history of India's struggle for independence. Two reasons seem quite plausible for this; one, historians have ignored the claims and contributions of those, generally described as nationalist Muslims in view of India's Partition as they focused more on the politics and claims of the Muslim League; the second would be lack of knowledge of Urdu, in which, Azad has left behind a considerable corpus of evidence. The combination of the two has resulted in near silence of historians on political life of Azad, honourable exceptions notwithstanding. Such neglect and ignorance about the man and his times has left a void in our knowledge not only about Maulana Azad but the entire range of Muslim political opinion aligned with the cause of Indian nationalism and freedom movement. This volume provides a much needed and timely corrective. With the help of extensive but hitherto unexplored primary sources the author has been able to argue that Azad's politics was continuously evolving while he remained steadfast towards composite Indian nationalism and resistant to communal politics. This volume is invaluable for scholars of Indian nationalism and Modern Indian History.
